

Pre-GED Connection Workshops

- Serve Pre-GED level learners
- Earn 6 hours Kentucky Adult Education PD credit
- Receive a free set of *Pre-GED Connection* workbooks (1 set per county)

After the Pre-GED Connection workshop, you will be able to:

1. Demonstrate how various media (particularly video, online, and print) can be successfully integrated into the adult education classroom.
2. Administer the GED Locator tests in order to appropriately place students in *GED Connection* and/or *Pre-GED Connection* curriculum.
3. Generate instructional strategies to enhance the use of multimedia in the adult education classroom.
4. Share your experiences using multimedia in your classrooms.

Free training, on location, on the day of your choice! Workshops for Kentucky educators are available at your location with a minimum of 10 participants.

Other available workshops:

- LiteracyLink Awareness & Implementation
- GED Connection Awareness & Implementation
- Workplace Essential Skills Awareness & Implementation
- LiteracyLink Online Management System
